## **Sweet Brothers & Sisters (*Big & Little Ones All*),**

Every time I think I will get to services to bring a pretty card to thank you all for the many, many loving things you've done for our family over the many, many months, something happens and I'm among the missing again.

One thing I did learn is that no church or congregation has any better cooks than ours and are more willing to share their talents. This door to door service could get to be a habit one could get used to!

The cards.... Oh, the most beautiful cards you could ever imagine have come in our mail. The one's from the whole congregation seemed to come at just the right times. The little mini messages are able to conjure up smiles, tears and sweet thoughts from so many of you. The individual cards are very special too. They have certainly made me realize about my lack of sending any because I haven't, and I am ashamed of that. I realize I could of, should of and will definitely try to do better from now on seeing how much they mean.

Some of the most precious cards that came in our mail were from the little ones. They were so decorative I doubt there was a stamp, pearl or sequin left in any of the stores. Every time we look through them, we picked out a different one as our favorite and on through the stack again for another choice. Thank you so much to the teachers who gave them the time and had the patience to help them in this project. We know God looks down on these children as special examples to us grownups and that He will reward those who take the time to teach, love and train them.

Continued from the front....

The kind thing to do would be to end this note before Julie ends this for me. So thank you once again for everything I've mentioned and those things I've forgotten to mention that you have done for our family.

Thank you for your graciousness, love, outpouring of prayers and your good wishes,

The Bob Moore Family

### Let the Beauty of Jesus Be Seen #625

*Let the beauty of Jesus be seen in me, All His wonderful passion and purity;  
May His spirit divine all my being refine, Let the beauty of Jesus be seen in me.*

*When your burden is heavy and hard to bear, When your neighbors refuse all your load to share;  
When you're feeling so blue, don't know just what to do,  
Let the beauty of Jesus be seen in you.*

*When somebody has been so unkind to you, Some words spoken that pierces you thru; Think  
how He was beguiled, spat upon and reviled, Let the beauty of Jesus be seen in you.*

*From the dawn of the morning to close of day, In example in deeds and in all you say; Lay  
your gifts at His feet, ever strive to keep sweet, Let the beauty of Jesus be seen in you.*
