## The Power of a Prayer

The power of a prayer cannot be measured,

“Tis just a feeling to be treasured,

Its power shows in many ways

As we offer God our heartfelt praise.

A prayer is a feeling deep inside,

A plea to God, our paths to guide.

We pray that He be always there

For all His children, everywhere.

The power of a prayer though is not in sight,

Is there through day and dark of night,

It gives one strength where there was none,

To prove God’s work is never done.

At times, dear Lord, I would ask of Thee

To grant me one special plea,

To free me from my dark despair

Through the mighty power of a prayer.

God caters to every race and creed,

Ready to help all those in need,

He will give to all His blessings rare,

Through just the power of a prayer.

-Joseph Ferrara

# A Church is Almost Certain to Grow...

- When each member has a deep concern for the lost.
- When each member enters into worship with enthusiasm.
- When each member is interested in aggressive Bible School.
- When each teacher is interested in improving his teaching ability.
- When each elder and deacon is dedicated to the work.
- When the preacher preaches the Word with love.
- When each member is personally involved in his work of soul saving.
- When each member lets brotherly love express itself to every other member.

***So they said, “Let us rise up and build.”***

***Then they set their hands to this good work.***
